## Celebrity listing: Miami Beach Kardashian penthouse on the market

The 10th story penthouse has been fully renovated

Jan 11, 2016

Previously serving as the Miami Beach Kardashian penthouse pad for Khloé and Kourtney’s show “Kourtney & Khloé Take Miami,” the Bentley Hilton 10th floor penthouse is now listed for sale.

The unit was used as a hotel, with a nightly rate of \$2,000 to \$5,000, but is now available to a lucky buyer interested in the gut-rehabbed space that spans 1,880 square feet.

The home is listed for \$5.9million by [Jeff Miller](#) of Brown Harris Stevens.
