The SingerVenekamp Team Announces \$3.3 Million Sale Of Lincoln Square Condominium

The SingerVenekamp Team at Brown Harris Stevens, which has established itself as one of Manhattan's most successful real estate teams, announced that it has sold residence 25C at stunning Lincoln Square condominium tower The Copley for \$3.3 million. This ex-

quisite residence commanded the highest sales price in the building with the exception of the two gorgeous penthouse units.

Located at 2000 Broadway, this spacious two-bedroom, two-bath home features a carefully crafted sleek and contemporary design with glorious views of Central Park and the Manhattan skyline. Each of the five ample rooms in this stunning home incorporates a generous amount of storage.

Completed in 1987, the 162-unit Copley boasts a concierge, doorman, health club, indoor swimming pool, sauna, gorgeous outdoor garden, children's playroom and garage. The tower was designed by Davis, Brody & Associates, one of the city's most sought-after residential designers.
