WHEN ONLY A MANSION WILL DO
BY VICTOR WISHNA

\$35.2 MILLION
MIDTOWN WEST

IT'S saying something that the Central Park views through the 12-foot windows of this massive, 5,475-square-foot condo on the 54th floor of megatower One57 may not be its best.

Perhaps you'll prefer looking east to the river, or south over the Chrysler Building and Empire State. You'll probably also like what you'll see in the "gourmet" eat-in kitchen (with more skyline views of its own) or down the wing with its four suites of bedrooms and bathrooms leading to the corner master suite, with has its own study and more views, this time of the Hudson River.
