Brown Harris Stevens Select and 15 Union Square West developer Brack Capital Real Estate hosted an evening of live jazz with pianist Robert Bosscher in the condominium's final available home. Guests enjoyed freshly shucked oysters from Oysters XO, hors d'oeuvres from Tocqueville and cocktails while reveling in residence 3A, a park-facing home with treetop views of Union Square Park through the original cast iron arches of the 1870 Tiffany & Co. headquarters. The two-bedroom, 2,189 s/f home, on the market for \$5.5 million, features a grand entry foyer, dark-stained hardwood flooring throughout and custom finishes by designer Vicente Wolf. Perfect for entertaining, the living/dining room includes ceilings reaching up to 16 feet and a custom designed open kitchen with marble countertops and top-of-the-line appliances including Viking, Sub-Zero and Miele.
