OLIVER STONE LISTS 1 MORTON SQUARE PAD FOR \$3 MILLION

BY JEREMIAH BUDIN • FEBRUARY 28, 2014

Filmmaker Oliver Stone just put his 2BR/2.5BA condo in 1 Morton Square on the market for \$2,999,999 (or did he?). The Journal, which has the exclusive, reports via Stone's broker that the director is looking for a new, larger place with at least 2,000 square feet. The 1 Morton Square pad totals only 1,736 square feet. (At least, that's what they want you to believe. You know who.) Stone originally rented the apartment in 2009 while filming *Wall Street: Money Never Sleeps* and liked it so much that he paid \$1.9 million for it the following year (unless this is all one big government conspiracy, which it probably is).
