Manhattan's most notable residential brokers and executives high-tailed it to the Pierre Hotel on Thursday for one of the industry's biggest events: the Real Estate Board of New York's annual residential Deal of the Year awards, now in their 25th year.

Among the award winners were Heather Stein of Brown Harris Stevens; Judith Oston, Donald Correia, Lisa Rosenstein and Vincent Smith of Halstead Property; and Jeffrey Rothstein of Douglas Elliman, who snagged the Henry Forster Award for lifetime achievement. — Leigh Kamping-Carder
