

Jeff Goodman

RISMedia

2021 Newsmaker Trendsetter

For the third year in a row, RIS Media has named Jeff Goodman as a Real Estate Newsmaker, in the "Trendsetter" category.

Jeff was chosen based on setting a record for the sale of a historic townhouse in one of Brooklyn's most iconic neighborhoods, Fort Greene, and for keeping up with his weekly radio show/podcast "Rediscovering New York" during the height of the pandemic. Even though his popular walking tours have been on pause, Jeff has continued to provide NYC-focused content to his loyal followers and clientele; has enhanced his radio/podcast programming by exploring more areas of New York; and expanded his roster of impressive guests to include architects, planners, artists and even elected officials.
